I authorize Blueberry Shores at Newfound LLC to perform a "winterization service" as outlined above. I have enclosed a check for \$120.00 made out to **Blueberry Shores** for this service. This one time fee will also take care of "**opening**" your unit in the spring.

**\*Please add an additional \$20 if you are including the ice maker. LEAVE YOUR DEADBOLT UNLOCKED OR GIVE A COPY OF YOUR KEY TO FRED SO HE CAN GET IN YOUR UNIT**
